

# ALCOHOL FREE HAND SANITISER

## DESCRIPTION

### Alcohol Free Hand Sanitiser

#### Product Description

GreenEarth Alcohol-Free Foam Hand Sanitiser is a waterless hand sanitiser that kills up to 99.9999%\* of most common germs after a 15 second wet time, including MRSA, Clostridium difficile, Listeria monocytogenes, and more. A better alternative to alcohol-based products, GreenEarth Alcohol-Free Foam Hand Sanitiser contains no triclosan or alcohol and leaves hands feeling moisturized and conditioned. Because it does not contain alcohol, GreenEarth Alcohol-Free Foam Hand Sanitiser will not sting or irritate when applied to skin; this alcohol-free formula also eliminates problems with absorption and/or ingestion.

## FEATURES

- Kills up to 99.9999%\* of most common germs after a 15 second wet time
- Provides 2 to 4 hour residual protection after application
