

LEMON DISHWASH

DESCRIPTION

Lemon Fresh DishWash Liquid

GreenEarth natural dishwashing liquid removes grease and baked-on food, so your dishes will be clean and shiny, without a harsh chemical residue. Lemon Fresh Natural Manual Dish washing Liquid is an extremely concentrated, double strength hand dish washing detergent for use in restaurants, hotels, fast food outlets, at home, businesses and as a general purpose detergent. Lemon Fresh Dish washing Liquid is manufactured from natural plant extracts, is 100% biodegradable, free rinsing and leaves dishes and eating utensils sparkling and "Squeaky Clean".

FEATURES

- Biodegradable
- Fresh Lemon/Lime fragrance
- Gentle on hands and skin
- Manufactured from naturally derived ingredients
- Moisturizing formula is enhanced with natural emollients to soften hands

DIRECTIONS

Dispense the detergent into your wash basin and start filling the basin with warm water. Half a teaspoon of detergent (about one brief squeeze) is sufficient to start with. Swish the water around to work up some suds, then start washing your dishes.
